Percussionist

Heechan Lee (\*17.12.1995) started playing the percussion at the age of 12.

He began percussion with orchestral music and studied under Professor Kwang seo Park and Sun-min Shim at the Korea National University of Arts in 2014. He successfully completed his bachelor's degree in the spring of 2021. He has won prizes in several competitions, including the Italian PAS competition, and has performed in numerous recitals and concerts with various orchestras.

In addition to orchestral music, he explores new music through contemporary music and ensemble performances. New sounds and interpretations of songs play an important role for him. He began his ongoing master's studies in solo percussion at the Universität der Künste in Berlin in October 2022, studying under Professor Simone Rubino.

In 2023 participated in the SONDER project "Pleiades under the Stars" performed in Bologna and collaborated in the development of SONDER's new interdisciplinary project "Das Lied eines Teleskops."
